

Chapter 64
FEES

ARTICLE I
Construction Permit Fees

§ 64-1. Authority to levy fees.

§ 64-2. Permit required; payment of fee.

§ 64-3. Construction work delineated.

§ 64-4. Authority of Zoning Officer.

§ 64-5. Penalty for noncompliance.

[HISTORY: Adopted by the Board of Supervisors of Bear Creek Township: Art. I, 5-3-1983. Amendments noted where applicable.]

ARTICLE I
Construction Permit Fees
[Adopted 5-3-1983]

§ 64-1. Authority to levy fees.

The Bear Creek Township is hereby authorized to assess and levy, and the Township Treasurer named and appointed by the Board of Supervisors of the Bear Creek Township is hereby authorized to demand, collect and receive for general revenue purposes from persons, firms, corporations, partnerships and associations doing construction work within the limits of said township, all township fees which are to be paid by virtue of the provisions of this Article and of such other fee ordinances which may from time to time be passed by the Board of Supervisors of the Bear Creek Township.

§ 64-2. Permit required; payment of fee.

A. All construction work within the township must be duly recorded by filing for a permit and paying a permit fee. The payment of the permit fee will be by all contractors performing any type of construction work within the township limits and will be on a pro rata basis. The following fees shall be paid for all permits issued by the township for construction work:

Cost of Work	Fee
\$00.00 to \$99.99	\$ 3.00
\$100.00 to \$199.99	6.00
\$200.00 to \$499.99	8.00
\$500.00 to \$999.99	14.00
\$1,000.00 to \$1,499.99	16.00
\$1,500.00 to \$2,499.99	20.00
\$2,500.00 to \$4,999.99	30.00
\$5,000.00 and up	60.00

B. The ceiling on construction permits will be sixty dollars (\$60.).

§ 64-3. Construction work delineated.

Construction work will be all types of work related to and directly involving the erection of, addition to and improvement of structures. Thus, all plumbing, electrical, masonry and structural contractors will be included as doing construction work for the purposes of this Article.

§ 64-4. Authority of Zoning Officer.

The Zoning Officer will have the authority to inspect construction sites, collect permit fees and deliver permits.

§ 64-5. Penalty for noncompliance.

Any person, firm or corporation who or which shall violate any of the provisions of this Article shall, upon conviction thereof, be subject to a fine of not less than twenty-five dollars (\$25.) nor more than six hundred dollars (\$600.), plus costs of prosecution, and in default thereof, to a term of imprisonment not exceeding thirty (30) days.
