

Travel Advisory

3/16/10

Traffic pattern change this week on Route 115 bridge, Bear Creek

Dunmore – Route 115 bridge over an outlet of Bear Creek:

On **Wednesday (3/17)** contractor prepares for linepainting by shifting NB & SB traffic to NB lane to clean SB roadway & shoulder. (8:00 am to 12:00 pm). Then NB & SB traffic will be shifted to SB lane to clean NB roadway & shoulder. (12:00 pm to 5:00 pm).

Line eradication and painting scheduled on **Thursday (3/18)**. NB & SB traffic will be shifted to SB lane for operation (8:00 am to 1:00 pm) .Then NB & SB traffic will be shifted to NB lane to eradicate & paint SB. (1:00 pm to 6:00 pm)

At end of day Route 115 SB traffic will be shifted to ½ the existing SB lane and SB shoulder. NB traffic will be shifted to the ½ existing center lane and ½ the existing SB lane. Existing SR 115 NB lane will be closed until mid-late Summer 2010 for half width bridge construction.

All work is weather permitting. Completion early Summer 2010.
