**Re: Local Share Account Program - Luzerne County
Laurel Brook Repaving Project**

Dear Mr. Zingaretti:

I am writing in response to your request for financial assistance under the Local Share Account (LSA) Program. Unfortunately, we are unable to act favorably on your request for LSA assistance at this time.

Competition for LSA funds was very strong again this year and the demand exceeded the available funds. Even though your project is worthwhile, it was determined not to be competitive with projects that were awarded funding this year.

Thank you for your interest in the LSA Program. If you should have any questions, please do not hesitate to contact your project analyst or Mandy Book, LSA Program Manager at 717-720-1419.

Sincerely,
