August 18th 2008 Planning Board Meeting Minutes

The meeting began at 7:05 pm and all Board Members, Solicitor Bill Vinsko and Ben Sevenski from Pasonick Engineering were in attendance.

The July 2008 meeting minutes were approved with a motion by Rich Kresge, and a second by Rose Andrews. All Board members were in favor of approving the minutes.

Agenda Item: Aqua PA

No representatives were in attendance to speak to this agenda item.

- ⇒ Attorney Vinsko provided Aqua PA with the Pavement Ordinance 2 days after the last meeting
- ⇒ Board of Supervisors must make decision on bond requirements.
- ⇒ Board still concerned over location
- ⇒ Extension or Board decision is necessary at September Planning Board Meeting
- ⇒ Aqua PA indicated they were requesting financial backing but the Board was told PennDOT was funding the project – need clarification
- ⇒ Possible future need for an ordinance to connect to public water supply
- ⇒ Attorney Vinsko will request the DEP permit application from Aqua Pa's attorney – conflicting dates indicate it was not time requested as indicated to the Board
- ⇒ Concern if this project will support the needs of the Township.

Miscellaneous:

- ⇒ Clarification was provided to Gary Zingaretti regarding the update the Board requested in the C-1 Zoning section of the Townships ordinance.
- ⇒ EUI is still in the discovery phase

The meeting closed at 8:00 pm.
